Macy's Fused Invisible Bi-focals

Reading and distance glasses combined in one.

These glasses differ in no way in appearance from the ordinary eyeglass. The line of fusion is not visible to the wearer or anybody else. But the wearer can see at a distance and can see when reading with the one pair of glasses.

This is very important at times when it is impossible to change glasses. For instance, at the theatre, if you wear your reading glasses, you cannot see what is going on on the stage, and if you wear your distance glasses you cannot read your program.

With Macy's Fused Invisible Bi-focals you see perfectly both for distance and for reading.

As for prices, they vary as to the character of the lenses, but the saving at Macy's is invariable, as you will see from the following:

Other optical shops charge \$4.00 per lens Macy's price is \$2.96

Other optical shops charge \$5.00 per lens Macy's price is \$3.74 Other optical shops charge \$6.50 per lens Macy's price is \$4.96

ACY'S lenses are ground on the premises either from your own prescription or from the prescription of one of our registered optometrists. Our optometrists will be glad to give your eyes a thorough examination, using for making the tests the most highly perfected scientific instruments. Balcony, 34th St., Rear.

GIBSON INDICTED FOR MUREDR.

Lawyer to Be Arraigned To-day and Trial May Be in December.

MIDDLETOWN, Oct. 22.-Burton W. Gibson was indicted by the Orange county Grand Jury to-day for the murder of Mrs. Rose Menschik Szabo on Greenwood Lake in July.

Sitting unconcernedly in his cell in Goshen jail to-night Gibson apparently \$28.00. was confident that he will be able to convince the jury that he did not kill the woman. The indictment was not a surprise to either Gibson or Mrs. Gibson, who

arrived at the jail this morning.
It is expected that the accused lawyer will be arraigned to plead to the indictment to-morrow morning with other prisoners. District Attorney Rogers has requested the presence of Gibson's chief attorney, Mr. Elder, to-morrow. The time of the trial will then be agreed upon. It is not expected that it will be held before the first week in December.

In case the trial goes over to the December term it will be held at Newburgh. It is stated to-day that the letter which Gibson sent to the Grand Jury was entirey ignored by that body.

District Attorney Rogers of Orange county has written to District Attorney Whitman of New York asking for the services of Assistant District Attorney Wasservogel and Deacon Murphy in the prosecution of Gibson.

Mr. Rogers stated that his term will expire in December and that there are many matters which will take up his attention as well as Gibson's trial. It is understood that Whitman has said that Mr. Wasservogel and Mr. Murphy could be lent to Orange county. will be arraigned to plead to the indict-
